This Is "Our Life"

*as we lived it
in Minco High School*

The stage for the production of "Our Life" was set in the time-honored Minco High School building. The scenes are proudly recorded by the 1955 Bulldog staff as we lived them and as we would like to remember them.

The 1955 pack of Bulldogs opened the 1954 season rated fourth in the Conference, but the team, built around seven returning lettermen, ran up the most impressive record since 1951, and adding the first Football trophy to the Minco trophy case since 1948.

This being Coach Heck's second year of coaching also proved to be his most prosperous as he master minded the Bulldogs to a second place trophy in the Washita Valley Conference with a six and four record winning over such worthy foes as his old Alma Mater, Crooked Oak.

The Bulldogs landed three griders on the Grady County All-Star team, Gene Madden, pass snaring Left End, Delbert Handke and Ronnie Merritt, two of the Bulldog's hard-running backs who also made the Washita Valley All-Conference team along with Clifford Barnard, hard-hitting left guard, Peck Lindsay Defensive Right End and Center Robert Miller.

"Always Best"

Best wishes and congratulations were received from Ralph Edwards, of "This is Your Life" television program from which our 1955 "Bulldog" theme, "This is Our Life," was adopted.

The editors, Nancy Osborn and C. W. Fields, and sponsor, Mrs. Bert Mosier express their appreciation to the advertisers, whose financial support made possible this "Bulldog," to the staff who have worked so diligently and to all those who have purchased and supported our yearbook. To Zelma Bryant, responsible for our headlines and writing, we owe a special "Thanks."
